Youth Corps Teen Volunteer Program

www.ScottsdaleAZ.gov/Volunteer/YouthCorpsInfo.asp

The Youth Corps is a summer teen volunteer program for **ages 13- 17**. Volunteers can explore career opportunities, give back to the community, and receive school credit (with prior school approval). Opportunities are available in City of Scottsdale offices, recreation centers, citizen service centers, aquatics facilities, and senior centers. These young leaders are encouraged to be responsible and accountable for their actions, beginning with sending in an application to the Youth Corps office. The teens are then interviewed and placed at a site determined by several selection factors. From there, volunteers must attend orientation before they begin “working” 10-20 hours a week during the months of June and July. *Volunteer positions are not guaranteed; placement is based on meeting selection criteria as well as the needs of the program.

Youth and teen program sites- Assist recreation leaders who run a day program for children 6-11 and participants entering 6th,7th and 8th grade. If you like kids this is for you!

Aquatic fitness centers- Volunteers will assist with front desk duties, gym roves, park roves and organizational tasks.

Office Positions- Mature teens that enjoy working in business environments, like this type of volunteer work. Valuable skills such as answering phone lines, filing paperwork and providing quality customer service are entailed in these positions.

Senior Centers- If you love working with the elderly this job is for you! Assist recreation leaders with daily activities and with front desk duties.

Service Projects- A few service projects will be offered throughout June and July. These projects give teens an opportunity to contribute to the community through various service projects throughout the summer.

To apply: Send an application by April 30, 2015.

Applications are available through mail, e-mail, or online at:
